

The Economy in Names Values, Branding and Globalization

Second circular

The Sixth Conference on Names in the Economy in Uppsala is drawing near and we would like to inform you that the programme is being updated and will soon appear on our website along with the abstracts.

We need to know as soon as possible if you have any **food allergies** or if you wish to have **vegetarian or vegan food**. If so, please send an e-mail to nite6@sprakochfolkminnen.se by **the 22nd of May**. If we have not received any information from you by then, we will not be able to comply with your wishes. If you do not have any dietary restrictions, you do not have to send an e-mail.

We would also like to inform you that there will be an (unattended) information table at the conference venue where you can display new books or other information that you wish to share with the other participants.

If you have any urgent questions, or need help when you have arrived in Uppsala, you can call Elin Pihl at + 46 73 558 60 92 or Kristina Neumüller at + 46 73 558 60 73.

See you soon in Uppsala!
